Annual Corporate, Business, Community & Individual Sponsorship

The work of the Asian Pacific Islander American Public Affairs Association (APAPA) is made possible by the time, energy, money, products, and services contributed by our sponsors, partners and volunteers. These contributions support APAPA’s quality community, youth education, leadership development, civic engagement, voter registration, and education programs and services. APAPA is dedicated to enriching our community and helping members grow and adapt to our ever changing society. Thanks to the support from our sponsors, APAPA has matured and become a leading National API organization with a focus on empowering API Americans to actively engage in civic and public affairs.

APAPA Annual Core Events and Programs Descriptions:

1. Annual California Capital Internship Award and Scholarship Fundraising Gala and Program – Developing Future API Leaders
   - The Internship Program, implemented in 2004, was designed to get API youth critically engaged and prepared them to assume leadership roles in the future. It provides culturally and ethnically diverse high school and college students, from low to moderate income families throughout California, summer internship opportunities working for elected officials at all levels of government. Students also must complete 40 community service hours. Since the program began, over 335 students have successfully completed the program and over $313,000 in scholarships were awarded.

2. California Annual Voters Education & Candidates Forum
   - Since 2001, APAPA Voters Education & Candidates Forum has been held annually at California State University, Sacramento. The program brings together elected officials, ethnically diverse community organizations, and the public to raise civic awareness, increase participation in the democratic process, and encourage the community to get involved in public service. Annually more than 500 people attend.

3. Community Voter Registration / Town Hall Meetings / Get Out to Vote
   - Registering to vote is the first step in civic participation. APAPA offers information on how to register to vote, conducts community-based voter registration drives and hosts community town hall meetings to address issues, challenges and offer solutions. APAPA works closely with county registrars and the Secretary of State to encourage more API-eligible voters to register, to exercise their right to vote and provides forms translated in multiple languages to voters.

4. California Annual Legislative Reception - in Partnership with the API Legislative Course (APILC)
   - The Annual CA Legislative Reception is held in January in Sacramento, with more than 200 people attending. The event welcomes California elected state officials back in session and highlights the newly elected API legislators. Attendees include elected officials, community organization leaders, corporate partners, friends, supporters and volunteers.

Sponsorship Support
APAPA Recognizes & Displays Sponsors Names, Logos and Ads as defined below:

5. Washington DC Annual Congressional Visits, Seminars and Legislative Reception
The Washington DC Congressional Visits, Seminars and Legislative Reception is held annually, with an average of 150 people attending. Attendees include U.S. Senators, Congressional members, elected officials, agency department executives, community organization leaders, corporate partners, friends, supporters and volunteers.

6. California Capitol Meet & Greet Program
The Meet & Greet Program is a friendly, informal gathering where elected officials meet with our corporate partners and community organization leaders. Participants discuss and learn about issues affecting API constituencies.

7. National API Annual Internship and Alumni Leadership Conference
The 3-day API Annual Internship and Alumni Leadership Conference is hosted by Vision New America (VNA) and APAPA. It is held in August at the UC Berkeley Conference Center. Over 100 interns from APIR California and National chapters, and alumni from organizations such as APAPA, VNA, CAPA, and China’s Sixian students attend for a cross-cultural exchange. The program consists of networking, workshops, mentoring and featured speakers. Business professionals and organization leaders participate as speed mentors, offering advice to enthusiastic and engaged attendees.

8. California Financial Literacy Workshops
APAPA provides workshops to teach students the importance of budgets and financial goals to navigate in the current economy. Students also learn about debt cards, credit, student loans, and identity theft. APAPA collaborate with our corporate partners to design and implement informative workshops.

9. California Digital Literacy Project
The Digital Literacy Program is designed to educate and provide job training to underserved API young adults for today’s technology driven workforce. Digital skills are essential and invaluable to businesses and/or non-profit organizations.

10. California Capitol Holiday Mixers–for Business, Government and Community
APAPA holds its annual Holiday Mixer and Donation Drive at APAPA’s National Headquarters in Sacramento with more than 200 people attending, including local officials, organization leaders from diverse communities, corporate partners, friends, supporters and volunteers. The evening provides an opportunity for everyone to come together to celebrate the season and support needy children by donations of toys, coats and canned goods to local community charities. APAPA recognize exceptional volunteers and individuals for their dedicated service and commitment to helping the organization fulfill its mission.
