# Summer Leadership and Internship Program

*Developing Students To Be Thoughtful & Effective Leaders*

## High School & College Students interested in Public Service with Elected Officials? This Internship is for You!

**This Internship Program will develop:**

- *Political awareness and civic engagement*
- *Understanding of government and legislative processes*
- *Professional and leadership qualities*
- *Presentation and communication skills*
- *Networking skills with fellow interns and mentors*

The internship program typically runs from June - August each year, with applications available in February. Students wanting to be involved can start by volunteering at our Tri-Valley events.
